15 September 1952

Dear [redacted]

Referring to my discussion with you last Friday and your interest in the positions available to women in ORR, I thought the following might be interesting to you.

Of [redacted] professionals now on our rolls, [redacted] are women. [redacted] are administrative assistants, [redacted] are librarians in our Map Library, [redacted] are editors and [redacted] are illustrators. The balance are classified as research analysts in economics and geography, the former preponderating heavily.

Gradewise the analysts break down as follows:

Branch Chief
Senior Analyst
Analyst
Junior Analyst

Many of these occupy slots calling for grades higher than their present grades; so the proportion of those in the upper brackets will doubtless increase in time.

I do hope the foregoing will assist you in steering able young women to us.

Sincerely,

/s/
Robert Amory, Jr.
Assistant Director
